

Logical Developments' Courses

About the Trainer

Celeste Littek (M.Ed. -Dip.T): Autism Spectrum Consultant

Celeste works with families, teachers, schools, professionals and specialists to develop training courses which best meet the needs of those who support and care for people on the autism spectrum.

She combines over 25 years of personal and professional experience in regular and special schools, early intervention, and research with practical strategies grounded in best practice-evidence based approaches appropriate to the New Zealand context.

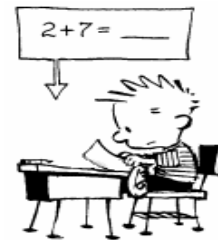

Understanding the Autistic Spectrum— Implications for Learning

Making Sense:

Introduction to the autism spectrum (including Aspergers), A different way of thinking, sensing, and being in the world

Teaching to Strengths: Practical strategies to help learning, extend interests, and build participation

Sorting Challenges: Taking a positive approach to behavior

Whole School Approach: How to be an autism friendly school, working with agencies, and developing partnerships with parents/carer

Runs 9am—3pm

Cost: \$65 Family Member
\$90 Professionals
Prices inclusive of GST

Please Note: Lunch is NOT provided—you may either bring your own or come prepared to purchase lunch from local shops.
